

West Sussex Local Optical Committee

‘Cataract Procedure and Pathway at the Princess Royal Hospital, Haywards Heath’

5th December 2011

6.30pm start

**at The Euan Keat Education Centre, The Princess Royal Hospital,
Haywards Heath, RH16 4EX**

**Speakers: Mr Ed Hughes, Consultant Ophthalmic Surgeon
 Mr Bruce McLeod, Consultant Eye Surgeon**

Mr Ed Hughes will be explaining the new cataract surgery arrangements at The Princess Royal Hospital, Haywards Heath and how optometrists can become involved in the new cataract pathway at the hospital. Having attended this lecture, delegates should:

1. Know when it is appropriate to refer a cataract directly for assessment for removal;
2. Be able to explain to a patient the pathway and procedures involved in cataract assessment;
3. Be ready to do the post-operative cataract follow up appointment
4. Understand the paperwork for the audit trail
5. Understand the responsibility involved in primary care integration with secondary care

One CET point is available for attending this session. The event is open to optometrists and is free.

Tea, Coffee and biscuits will be provided.

Please let the WSLOC Administrator, Jackie Oxley, know if you would like to attend this event by emailing jackie.oxley@googlemail.com
